

School Council Minutes: Friday 14th November 2025 at 2.20pm.

1. Several students and classes have said **thank you for the kindness**

activities. Well done everyone! Well done Logan for the original idea!

2. Lorna from **Westmorland and Furness Council** said that the next **Youth**

Council meeting will be on **Tuesday 18th November at 5pm online.** Last

time Chloe was the only Sandgate student. Chloe encourages more people

to join online! There is a **vote for the council name** - vote online (your

teachers have the link) or do a class tally on the voting form. Give forms

to Katy by 3pm on Tuesday 18th November. Scafell raised the issue of

zebra crossings - many need repainting.

3. Tuesday 9th December festivities:

- Katy will give your background music ideas to Julia.

- Questions about dress code. Answer: Christmas jumper if you like!

- Chloe asked if she can help present the carol service. Some councillors would like to greet and help people to their seats. Check with Julia!

- Some students keen to do a reading. Let your teacher know if you

would like to read in the service. Suggestion of partnering with someone

who would like to do Makaton signs for key words, such as Star, Angel,

Shepherd etc.

4. Any other business: can santa visit school?!
